Mount Laurel – 856.414.6025

Kaitlyn M. Haddad serves as Assistant Director of Paralegal Services at Marshall Dennehey, where she supports firmwide paralegal operations across all offices and areas of practice. Working closely with firm leadership and the Director of Paralegal Services, she advances strategic initiatives related to paralegal staffing, professional development, operational efficiency, and the delivery of top tier client service.

Kaitlyn brings a strong background in legal operations and practice management, with experience focused on optimizing workflows, standardizing best practices, and supporting attorneys and paralegals in a high-performance litigation environment. She is known for her collaborative leadership style and her ability to balance strategic planning with day-to-day operational needs. Kaitlyn holds a Bachelor of Science in Psychology from The Pennsylvania State University and serves as President Elect of the International Practice Management Association, where she supports networking and professional development within the legal practice management community.
